AABB is committed to providing premier patient blood management resources and services that can assist you and your institution in your efforts to improve the quality of the care you provide and, where possible, to promote evidence-based transfusion medicine best practices.

### **AABB**

The AABB Technical Manual must serve readers of diverse backgrounds and is a very good compromise between general breadth and scientific depth; it is an excellent tool as a first reference in laboratories. Usually, most of the questions can be answered by consulting the manual; if not, pertinent references are provided.
