The first version of Adobe Flash/Adobe Animate was FutureSplash Animator, a vector graphics and vector animations program released in May 1996. FutureSplash Animator was developed by FutureWave Software, a small software company whose first product, SmartSketch, was a vector-based drawing program for pen-based computers. With the implosion of the pen-oriented operated systems, it was ported to ...

### **Adobe Animate - Wikipedia**

Application developers who switch between player and debugger versions during development and testing can experience issues with Flash Player control installation and registration methods. Starting with the release of the December 18 2007 security bulletin, Adobe discontinued support of Adobe Flash ...
