### **Teaching Strategy: Anticipation Guides | Facing History**

The text for this lesson is at Lexile Level 1040 which is a bit above 4th grade, but the text provides such amazing insight to the experience of the ancient people that my 4th graders will love it but they will need scaffolding on many levels. The anticipation guide is one way to provide support for this awesome text!!

### **Anticipation Guide - Reading Rockets**

An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.

### **Anticipation Guide | Classroom Strategies | Reading Rockets**

Definition/Description: An anticipation guide is used before reading to activate students' prior knowledge and get students excited and curious about a new topic. Before reading, students listen to the teacher or another student state key ideas about the concepts in the text. They can also read several statements about the key concepts presented in the text.

### **Anticipation Guide - STRATEGIES**

An Anticipation Guide is a strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading a selection, students respond to several statements that challenge or support their preconceived ideas about key concepts in the text.
