The Anthropology of René Girard and Traditional Doctrines of Atonement. In the concluding words of an interview (The Girard Reader, pp. 262-288), René Girard makes the bold claim, "Mine is a search for the anthropology of the Cross, which turns out to rehabilitate orthodox theology" (p. 288). I find this to be true, and nowhere is it more true than with traditional theories of atonement.

Before proceeding to a summary of the book's content, it is worth mentioning at the outset what Vidu's book is not. First, Atonement, Law, and Justice is not an exercise in "doctrinal criticism" whereby the Church's theological convictions are all but reduced to the interplay of otherwise atheological factors. It is one thing to say that atonement theories inevitably draw upon contemporary ...
