The Assist Trophy is an item in Super Smash Bros. Brawl, Super Smash Bros. for Nintendo 3DS / Wii U, and Super Smash Bros. Ultimate. It calls forth a random character to assist the player who used the item, similar to the Poké Ball item. This is unique in that the character released is from an actual Nintendo or third-party series, but is not playable.

Toad is a character who is Princess Peach's attendant and a longtime protector of the Mushroom Kingdom. He is actually a singular character among an entire species of look-alikes, leading to confusion over some of his appearances. He usually has the role of a supporting character who tries to help Mario and Luigi on their adventures, although he occasionally has been a main protagonist, such ...

Characters []. Much like Super Smash Bros. Brawl, SSB4 has a reasonable amount of unused character data. The reasons mainly include a combination of time constraints and hardware limitations. This is supported by Masahiro Sakurai stating this during a post-release interview. However, he refused to give any sort of information on what other scrapped characters were, other than stating that ...
