@jp. What you need to do is check out the "Workouts" section, where you will find 2 posts about gaining mass with P90X. The supplements you will need to look into are creatine, Recovery Formula, and a pre-workout supplement like Jack3d.

P90X Review | I Want To Get Ripped

As most of you know, I used the P90X program and Nutrition Guide to get into excellent shape. However, the Nutrition Guide contained some foods that I don't really care for, so I decided to purchase substitutes that contained the same nutritional value.

My Grocery List! | I Want To Get Ripped

Anabolic steroids, also known more properly as anabolic-androgenic steroids (AAS), are steroidal androgens that include natural androgens like testosterone as well as synthetic androgens that are structurally related and have similar effects to testosterone. They are anabolic and increase protein within cells, especially in skeletal muscles, and also have varying degrees of androgenic and ...
