First Things First: Key Questions Facing The Beginning Prepper by Norse Prepper Inspired by the  
article regarding how horrific it's going to get for the non prepper, I thought I might also submit the  
following article on what it is like to be a new prepper. The purpose of this article is not to tell my  
story, but to give perspective on how overwhelming it was for me as a beginning prepper.

Denise got hold of the raw study data and took it apart with a fine-toothed comb. And what she  
found is that the claims Campbell made in his China Study book are not supported by the data. She  
also found important data points Campbell never bothered to mention in the book because they  
didn't support his vegan agenda.
