One of the bigger concerns expressed about the ARC open access policy is that it includes all publication outputs. That means books and book chapters*. So what is happening out in monograph-land? As book sales plummet and traditional academic publishers struggle for survival, some organisations are looking at alternative models. This page is a summary of...

Yaffa Media | Australian Wood Review

Business as Usual is the debut studio album by Australian new wave band Men at Work, which was released in November 1981 in Australia, and April 1982 in the United States. It spent nine weeks at the top of the Australian Kent Music Report Albums Chart from December 1981 through to March 1982. The Australian version had a black and white cover design; overseas releases had a similar design, but ...
