The field of sociology itself—and sociological theory by extension—is relatively new. Both date back to the 18th and 19th centuries. The drastic social changes of that period, such as industrialization, urbanization, and the rise of democratic states caused particularly Western thinkers to become aware of society. The oldest sociological theories deal with broad historical processes ...

Seventh-day Adventist approaches to theology are affected by the level of authority accorded the writings of Ellen White. Mainstream Adventists believe that White had the spiritual gift of prophecy, but that her writings are subject to testing by the Bible, which has ultimate authority.. According to one church document, "her expositions on any given Bible passage offer an inspired guide to the ...

Introduction to the Evolution literature. Gert Korthof updated: 14 Feb 2019 —This page lists the most accessible books on evolution and the critics of evolution. The emphasis is on recent, affordable books for non-specialists written by specialists.

Introduction to the Evolution literature - Gert Korthof

A literature review should try to answer questions such as . 1. Who are the key researchers on this topic?. 2. What has been the focus of the research efforts so far and what is the current status?. 3. How have certain studies built on prior studies? Where are the connections? Are there new interpretations of the research?

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
