The Official Robert's Rules of Order Web Site

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

Law - Wikipedia

Business excellence is about achieving superior business results in relation to the competitors by means of developing and strengthening the management systems and processes of an organization; it is targeted at improving performance and delivering value for all the stakeholders, in a three-dimensional space characterized by uncertainty, complexity and dynamism.

United States corporate law regulates the governance, finance and power of corporations in US law. Every state and territory has its own basic corporate code, while federal law creates minimum standards for trade in company shares and governance rights, found mostly in the Securities Act of 1933 and the Securities and Exchange Act of 1934, as amended by laws like the Sarbanes-Oxley Act of ...
