Osprey is one of the top backpacking companies around - they create the best of the best products, not skimping on any important or minute details; they take absolutely everything into consideration.

Osprey Packs Stratos 24 vs Osprey Men's Manta 36

A lot of people are asking about these two very similar products so we decided to do a quick comparison. In our opinion the Polar H7 comes out on top simply because it is the newer model of the two and has the advantage of working with a lot more iphone apps than the H6 but there are some features of the H6 that keep it in the game (including being \$10 cheaper).
