Hi Great website. Just a couple of points re Hattie's top-ten. No2: Although you have correctly described Piagetian Programs, the research Hattie cites only refers to the fact that if you assess students using a Piagetian test of thinking level (not on the topic), and then give them a subject/topic test, there is a close correlation.

### **Glossary of Hattie's influences on student achievement ...**

AbstractThe past decade has witnessed an increase in research on teacher motivation which has been proved a crucial factor closely related to a number of variables in education such as student motivation, educational reform, teaching practice and teachers' psychological fulfilment and well-being. To address the constant calls for teacher motivation research, this paper attempts to pose a ...
