Teacher Preparation Continue reading The Universe Story until humans appear. The Evolution Book by Sara Stein is also easy and good. If you get into it, Wonderful Life by Stephen Jay Gould which is all about the Burgess Shale in Canada is amazing and for readers who like humor in heavy science should read Planet Ocean by Brad Matsen & Ray Troll. You should also brush up on your classification.

Modern American candy (Post Civil War--1920s). The Industrial Revolution made possible many new candies. Advances in food technology, scientific knowledge, and cooking apparatus made possible items such as jelly beans and chocolate. Most 19th century American cookbooks do not include recipes for making chocolate candy because it was primarily made by professional confectioners.
